Health, Safety & Environment (HSE) Policy

Alpha G:Corp Development Private Limited (AGDPL) management, is committed to incorporate Occupational Health & Safety measures in work practices and protect the environment in its real estate business by adhering to the following:

- **Promote a positive culture** by effective implementation of systems that achieve continual improvement in HSE performance.
- **Comply with all applicable legislation and standards** pertaining to HSE.
- **Identify & eliminate/reduce/control hazards and pollution**, that could cause injury, ill-health, incidents or environmental harm.
- **Provide training & resources** to all the employees & sub-contractors to maintain HSE Systems effectively.
- **Innovate and develop new methods** to reduce the detrimental effect to the environment from our products, during construction and subsequent use.
- **Promote energy efficient management system and recycling of wastes**, by adopting environment friendly methods and processes.

This policy, that shall be reviewed for continual improvement will be communicated to all personnel working for and on behalf of AGDPL for meticulous compliance and will also be made available to customers and other interested parties upon request.
