Quality Policy

Alpha G:Corp Development Private Limited (AGDPL) undertakes comprehensive development and management of real estate projects and is committed towards providing professional services to clients and value to all stakeholders.

To achieve this, the organization shall:

- **Identify and carry out works** conforming to standards/ requirements clearly stated in the agreement with the clients.
- **Associate with other companies** to provide a wider range of services and ensure that the associated companies carry out works conforming to standards/requirements stated clearly in the agreement with Clients.
- **Continually improve the Management System** through systematic review of our procedures, objectives and targets.
- **Ensure compliance to all applicable building bye-laws and BIS Codes;** and deliver safe buildings.
- **Ensure compliance to all applicable legal and statutory requirements** related to project development and construction.
- **Ensure compliance to all safety laws and requirements;** and provide for safety of workers, personnel, material and machinery.
- **Ensure compliance to all applicable laws and legal requirements related to Environmental aspects;** and implement Environment Management Program to prevent pollution and waste of resources.
- **Ensure high level of competency and team work** in the organization by providing effective leadership, communication and training.

This policy shall be reviewed for continual improvement and will be communicated to all personnel working for and on behalf of AGDPL and will be made available to its customers and other interested parties upon request.
